

Fires - evaluation

How did you like our presentation and games?

Here's the big paper, colored papers and glue. Your task will be to use the scraps of colored paper to create one big fire. You can tear the colored paper and glue it to the big paper. You work as a whole class together for 5 minutes.

Please take one or more drops, write your evaluation for us on in and then stick it on the poster into the fire. You can write and paint (for example, smiley faces).
